# FEBRUARY 2024 NEWSLETTER

## FEBRUARY

I hope you all had a great February, and that after the new years break things have gotten back to up speed without any problems. The program manager for the network has moved to part time while on parental leave, and will the emails and newsletter might arrive in your inbox at odd times. The network is still working full steam ahead.

## TYPE 1 DIABETES PRIORITY SETTING PARTNERSHIP REFRESH

The network is pleased to announce that the ranking survey for the type 1 diabetes priority setting partnership is now live and can be found at this link. Please take part and share as widely as possible.
